The No Man Left Behind Model: Key Concepts

- ➔ **Portal Priority**—Make sure men know you're not trying to fix their behavior, but that everything you do is to help them grow as authentic disciples of Jesus Christ (see 2 Timothy 2:2).
- ➔ **Your Man Code**—Just like people discover your dress code by what they see, they learn your "man code" from the atmosphere of your church. Make sure to send the message that men are important and can make a real contribution.
- ➔ **Three Strands of Leadership**—The effectiveness of your discipleship process for men will rise and fall with the involvement of your Senior pastor, a committed leader, and a leadership team (see Ecclesiastes 4:12).
- ➔ **Vision**—Men want to give their lives to something bigger than themselves. Use a phrase or slogan to let men know that God wants to do something great for His kingdom through your church (see Jesus' great challenge in Matthew 28:18).
- ➔ **Create Value**—Give men what they need in the context of what they want. Personally invite men to engage in different opportunities to move them forward with Christ.
