Hold The Date: 2025 National Men's & Scouting Gathering will take place on July 31 through Aug 3, 2025

Location: Epworth by the Sea, Simon's Island, GA 31522

This will be the first time in the event's history that there will be fellowship, worship, and activities with scouts standing alongside men.

GCUMM has introduced a revolutionary **Men's Ministry App**, "United," a crucial tool for men's spiritual formation within local congregations. This app is not just a resource, it's a source of empowerment, empowering every man within the United Methodist Church to meet, know, and serve Jesus Christ. A yearly premium subscription grants access to all app materials, with the subscription cost directly contributing to the development of resources for the men's ministry.
